

Join GADORE at THE AWEA NORTH AMERICAN OFFSHORE CONFERENCE & EXHIBITION

October 5-7, 2010, Atlantic City, New Jersey

The North American Offshore Wind Conference & Exhibition brings together exhibitors and attendees from all over world, who are interested in becoming players in this new and highly promising market. This event will take place at the Atlantic City Convention Center.

Don't miss the boat ... see you in Atlantic City!

The federal government's recent green light for the Cape Wind project after a decade of review means a huge boost for the North American offshore wind industry. Government agencies will begin speeding up their permit process, and companies will start making plans to provide what is needed both onshore and offshore. And Cape Wind is just the beginning. Overall, the coastal waters and Great Lakes of North America hold tremendous potential for offshore wind development. Offshore wind projects are well established in Europe, with nearly 20 years of industry experience, and stakeholders are ready as the the industry finally makes the jump across the Pond. AWEA has teamed up with CanWEA to bring you a conference and exhibition that will help drive this industry forward.

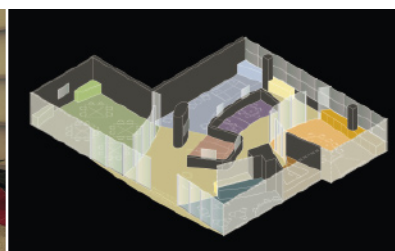

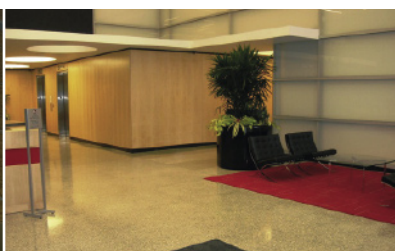

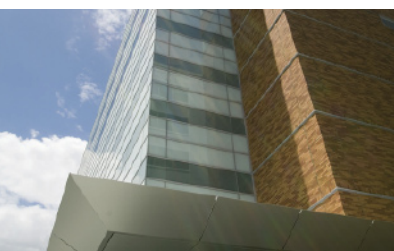

We invite the following companies to join us as exhibitors at the GADORE booth in Atlantic City:

1. Companies that are already AWEA members.
2. Companies that are not AWEA members yet. These companies must become AWEA members. We will mail the AWEA membership application form to you. As a GADORE exhibitor, you will be offered a special, dis counted AWEA membership fee: 1000 USD for the first year.

Under the
patronage of:

Ministry of Economic Affairs
and Energy of the State
of North Rhine-Westphalia

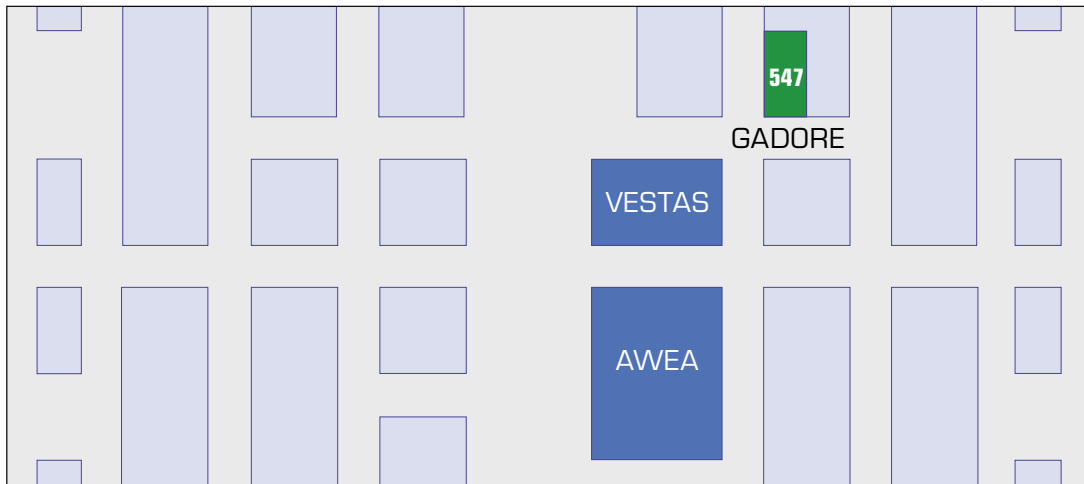

OFFSHORE WIND Conference & Exhibition

October 5–7, 2010, Atlantic City, New Jersey

Registration deadline:
August 31, 2010

REGISTRATION

Registration and Payment

This registration form is binding and will be forwarded to the American Wind Energy Association AWEA. According to AWEA Exhibitor Rules and Regulations, booth rental fees are payable directly to AWEA, except for GADORE services that are part of the GADORE booth. GADORE will invoice you directly for those services, after we have received your registration form.

Refund for Cancellation

Should the exhibitor be unable to occupy and use the exhibit space contracted, the exhibitor shall promptly notify GADORE in writing. Notification must be received within 7 days of receipt of the original registration.
